Principle Instrument

Flute Grade 8+

Also teaches

Piano

Recorder

Keyboard

Information for Schools

First Access Tuition	Flute and Recorder
Curriculum Music	Key Stage 1 & 2
Ensemble Work	School choirs and wind ensembles

About Christine

After completing a Music Degree and PGCE in Primary Education, Christine has worked in schools over the past 25 years as a class teacher, but more recently as a music specialist. Her strengths are working within Curriculum Music, co-ordinating the musical events within schools to promote the enjoyment and performance of music.

Christine has led many choirs, recorder groups and small mixed ensembles as well as teaching the flute, piano, keyboard and recorder. Her work over the past few years with the Wiltshire Music Service and the Salisbury Area Young Musicians has given her the opportunity to work alongside highly skilled musicians and teachers and within the community on projects promoting singing and performing in large public events.

In addition to delivering lessons through the Salisbury Area Music Co-operative, Christine teaches Curriculum Music in two local schools and is a member of the team at Salisbury Area Young Musicians.
