

Mrs Sarah Hooper

Woodwind and Piano Teacher

About Sarah

Sarah is a piano and woodwind teacher with more than 25 years' experience working with children and adults. She teaches piano and flute to grade 8 level, clarinet to grade 5. Her qualifications include an honours degree in music from Bristol University, CTABRSM in piano teaching and LRSM. Sarah is also an experienced examination accompanist.

She aims to provide her pupils with the tools to explore and experience music for themselves and inspire them to pursue their musical interests.

Sarah has a very high success rate for those pupils who wish to take graded examinations and is equally proud of those whose goal is to perform to family and friends, or just to 'have fun'.
