## **About Hannah**

Hannah studied music at Canterbury Christ Church University, gaining a first-class BMus and a DipABRSM in clarinet performance.

Hannah thoroughly enjoys her teaching, both in primary and secondary schools, and aims to make all lessons enjoyable even when instruments are forgotten!

Alongside teaching, Hannah continues to work as a performer from orchestral playing to pit bands, from chamber music to solo recitals. She occasionally works as a librarian for Bournemouth Libraries, as well as being a workshop leader for Musica Music, facilitating music sessions for health and wellbeing in care homes, and for Boogie Mites, providing music sessions in pre-schools.
