About Richard

Richard is a violin/viola teacher with more than 25 years of experience teaching pupils from beginner to diploma standard. As a qualified teacher and performer (degree/ PGCE/ orchestral diploma/M.Ed) Richard's teaching was consistently graded as 'outstanding' in performance management observations whilst working for the Wiltshire Music Service. In addition to working with the Co-operative Richard is also the Manager of Salisbury Area Young Musicians (SAYM).

Richard's uses a range of material and teaching strategies that engage and motivate pupils and his teaching is very pupil centred and has pupils who have reached diploma level during their time at school and alongside pupils who have simply enjoyed making music with no interest in taking grades.

The emphasis is on enjoyment in music making and exploring the potential in all!
